

Cleveland Chapter H.O.G. #3696
Chapter Challenge

Lighthouses

Rules:

Take a photo of you, your motorcycle, and the 2025 HOG Member Guide (or 2025 Enthusiast) in front of a lighthouse. If your picture includes the name/sign, that would be great, but it is not required.

These can be anywhere, not just in Ohio!

The Cleveland Chapter H.O.G. member with the most sites wins!

Tie breaker will be the site farthest from South East Harley-Davidson

The Chapter Challenge is on now and runs through the November chapter meeting

We hope the 2025 Chapter Challenge will encourage all members to
Ride and Have Fun!
